## steps to a simple online business waste solution

At FCC Environment we understand the need for a hassle free waste collection service, follow these three simple steps to order an online collection service.

### Step 1

Visit our website and click '[Book a collection today](#)' and enter your contact details.

### Step 2

Select the type of collection you require and container size you need.

Our collection consists of general waste and mixed recycling (paper, plastic, metal and cardboard).

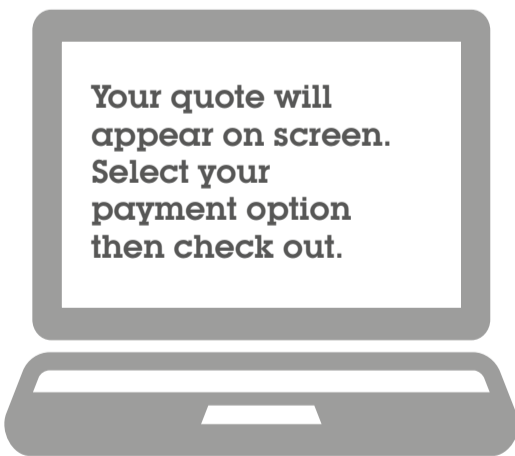

### Step 3

Choose your preferred day(s) and when you would like the service to start.
