Reuse Shop

Need to furnish your student digs?

There's no need for it to cost the earth.

Why not visit us to pick up a preloved bargain and support a local charity at the same time?!

We are here to help breathe new life into second hand items – preventing waste going to landfill, creating social value and raising funds for charity.

Our Reuse Shops at the Aston Clinton and High Wycombe Recycling Centres sell loads of preloved but high quality items which have been donated at the nine Household Waste Recycling Centres across Buckinghamshire.

For more information visit: **sbh.org.uk/shop-with-us**

Working in partnership

Buckinghamshire Council est. 2020

South Bucks Hospice at Butterfly House
Outpatient care enhancing quality of life

FCC Environment

The Reuse Shops are open Monday – Sunday, from 9:00am to 4.00pm in Winter and from 9.00am to 6.00pm in Summer, giving you a place to donate and purchase items giving them a second chance in life.

The items are sold by local charity South Bucks Hospice to raise vital funds for the work they do providing palliative care to Buckinghamshire residents and their families. You can donate items with life left in them at any of the 9 Household Waste Recycling Centres in the reuse container which will then be processed, checked and tested ready for sale at the Reuse Shop.
